

The Australian Elvis Show

See the ultimate tribute show to the King of Rock'n Roll

Joe Blicic, supported by some of Adelaide's finest musicians, is awe-inspiring. He captures every aspect of Elvis' persona and leaves audiences cheering for more. This professional act includes costume changes to reflect the eras of Elvis' fame from 50s rockabilly to the 68 Comeback Special and of course the Las Vegas style.

Female vocalists: The Sweet Aspirations compliment this superb nostalgic journey by performing favourite dance numbers.

No one brings a crowd alive better than Elvis, so if you want to fill the dance floor and provide pure entertainment for your audience this show delivers all it promises.
